I think this is what we are looking for.

NOI dated March 31, 2014
Permit CAG280000 effective March 1, 2014

Per Eugene, there was a special circumstance during this reissuance where dischargers had 30 days to send in there NOI from the permit reissuance.

Colby,

I'm drafting the AOC for Beta Offshore and need to know when Beta submitted Notices of Intent to be covered by the General Permit. Here is the sample template language I am trying to fill out:

19. [On [date], Respondent submitted a Notice of Intent to be covered by the General Permit and received coverage on [date; note WDID or other state tracking number].

Do you have that information? I can't find it anywhere on the web.

Thanks
Desean
